What is Rainbow Day?

For Family:

A place to ask questions and learn about queer identities and learn how fear and hate have impacted Christian messages and even Bible translations.

For Allies:

A place to network, connect, and be equipped for huge challenge of confronting hate in our world.

For Queer Community:

A safe place to be yourself and seek whatever you need from a Church: Community? Spiritual Support? To be seen and known? An apology?

Who is the Host?

Covina Community Church is a small congregation (known locally as "the Rainbow Church") that celebrates God's love for all people and tries to follow Jesus' example of working for justice.
