## Let's Dream God's Dream!

Draw a picture of what the future might look like if everyone took good care of each other and loved their neighbor.

## Changing our Emoji

Color in the emojis with a color you think best fits the feeling it shows. As you are coloring, think about people who feel each emotion a lot.

If it makes you sad to think about someone feeling one of the emotions a lot, ask God to be with them in a short prayer, and then think about what might need to change for that person to feel something different.
