

Imagine Justice

From the Inside Out

Reflections for Lent: Week 6 - "Palm Sunday"

Lent is a time of preparation celebrated by Christians around the world as they get ready for Easter. Like many important events, Easter is more meaningful if we have spent time preparing. Imagine Justice is a devotion series that invites you to use visual images to guide your prayers and reflections as you prepare for Easter. There are many ways to approach this process.

1. **Reflect on the image and how it makes you feel.**
2. **Meditate on the focus word, or theme printed above the image.**
3. **Read the Scripture listed and reflect on how the image might illustrate that passage.**

Finally, spend some time thinking about how the image, focus word, and scripture intersect your life. There are some questions provided to help you.

Focus Word: Risk

Scripture:

[Luke 19:28-40](#)

Questions:

How does this image make you feel?

When has refusing to change or the inability to change left you feeling trapped?

What risks have been required of you to move forward in your life?
